In Memory of Rebecca Ann Leighow 2/18/1951 - 10/17/2007 OVERVIEW Two of the most profound uncertainties that man can ponder are: what is the meaning of life, and what is the meaning of death? Many would say that the answers to these questions are unknowable and too mysterious to be comprehended. Reverend Thomas Leighow believes however, that God has given us these answers, contained within the pages of the Bible. The only way we can live in peace and harmony with death, is by having a true and correct perspective of what death actually is. Death can only be properly understood when it is viewed through the eyes of the very Creator of life and death - the God of the Bible. In *Dying to Live With God*, Rev. Leighow opens the doors to understanding life and death as it should be understood - from God's eternal perspective. The reality of death, and the meaning of death, can only truly come from the mind of the One who set death in place. Death is not just a by-product of life, rather, death is a necessary component of the divine plan of a sovereign God who holds the power over life and death. For those who live in fear of death, or for those who have not recovered after the loss of a loved one, this book will give you an understanding of death that will provide you with a blessed assurance and comfort to face your own "valley of the shadow of death."

An autobiography of the Oklahoma farm boy who became the outstanding leader of the Pentecostal world

A Detailed Practical Guide to New Testament Church Government and the Office of the Pastor Pastor Bob Yandian examines the many questions and varying opinions regarding the local church in the light of the Bible. This book has been referred to as a pastors bible, but the principles of ministry it sets forth are essential for every believer. Subjects include: How God moves in a body of believers The reasons

Christians are promoted The various offices of the local church The qualities of a successful leader The degree of authority pastors should have

Lionel Etwaru became very involved in ministry with Apostle Harry Das and had the opportunity to see the power of the gospel transforming the lives of men and women. In this biography, we see how many lives have been changed and kept by the power of God. Many, in turn, became a part of the mission to share the Gospel in unreached villages, where churches have been planted. This dynamic presentation of the Gospel was expanded when Apostle Philip Mohabir came together with Apostle Harry Das in 1964 and founded the Full Gospel Fellowship. As the team expanded, so the number of churches increased. Today, there are more than 120 churches and scores of missionaries who have been trained in the Bible Training Center. This move did not only affect Guyana but at least thirty other nations around the world. Lionel now lives with his wife, Margaret, in Long Island, New York and pastors a church in Queens. He continues to travel to many other countries for ministry.

Practical, hands-on wisdom for daily life in ministry! What framework does the Word of God give for the office of a pastor? Does the Bible outline the pastors responsibility to the congregation and the congregations responsibility to the pastor? Gods Word to Pastors gives scriptural answers to these questions and many more! What is the extent of the pastors authority over his congregation, and what can he expect from them? Why did God give us pastors, and how is their role unique in the body of Christ? Does the Bible say anything about how to choose a pastor or how he should be salaried? Can you leave a church because you don't like the pastor? What happens if the pastor falls into sin? Is it always the end of his ministry? And what causes a minister to fall? What should you do if you've pastored for many years and you've lost your joy and enthusiasm for the ministry? Does the Word of God offer guidelines that will cause you to avoid burnout? This book is a pastors bible, but the principles of ministry it sets forth are essential for every believer. Pastor Bob Yandian takes an in-depth look at the everyday reality of pastoring, while at the same time, he brings a vital and necessary understanding of the pastorate to all congregational members.
