One fateful night changed my life forever and brought secrets to light I never could have imagined, leaving me parentless, penniless, and caring for an ailing sister. My father was not the man I thought I knew, and his greed and sickness have left me with virtually nothing to use to care for my sister and get her the treatments she needs to maybe one day walk again. And now, we might lose our house, as well. Luckily, an ad in the paper helps me regain some hope. I have something to barter with that not many courtesans have, after all, and it just might be enough to earn what's needed to secure my future as a successful Blood Courtesan. My first client turns out to be the man of my dreams, the sexy-as-sin vampire rock star I've lusted after since I was a teen, but he wants nothing to do with me or what I have to offer. My father's misdeeds continue to haunt me and I'm left with only one option: I need to make the talented and headstrong Lyric Rivers desire me, or lose everything. Maybe even my life. The Blood Courtesans Series, where vampires are real, rich, powerful--and hungry. Blood is bought and sold like fine wine, and the best blood goes to the highest bidder. It's not supposed to be about love ... until it is.

Welcome to the world of Blood Courtesans. Where vampires are real, rich, powerful--and hungry and may be my only means of escape. Money. Freedom. Escape. That's my only reason for selling myself, body and blood, to Maxwell Steele, this cold and lethal being before me. I'll go to any lengths to escape being a prisoner within a Wolf Pack, including offering myself as a Blood Courtesan to a powerful and deadly Vampire. First I have to escape the Pack, and my Alpha father. Will Maxwell be strong enough to protect me? I hope so: he's my last hope for freedom and to live life as I want. I pray I'll survive, and I pray I'll keep my soul intact. My name is Flora and this is my story. The Vampire Blood Courtesans: It's not supposed to be about love--until it is. "Flora, that's a beautiful name," Maxwell stares intently at me, his eyes raking from head to toe then back again, making my feet shuffle and my heart rate explode in my chest. "I think you'll do nicely for my time here. Remember, Flora, you are mine for the duration of my visit. All mine. After I leave you will get paid and can go on with your life however you see fit."

Sink your teeth into a steamy vampire romance from USA Today bestselling author Rebecca Rivard... I'm a slayer. He's a vampire. Bard crossed the room. His reflection loomed over mine in the plate glass. "You're not afraid." He seemed curious, and a little surprised. I sipped my vodka tonic. "No." "Good." He tucked a curl behind my ear. "I promise you'll enjoy yourself." "Yeah?" I took his wine glass and set it on the table, then lifted his wrist and ran my lips over the sensitive underside. His skin was cool with an earthy, very male scent. He stilled in the way vampires can so that even their sluggish heart stops beating. "What are you doing?" His voice was strained. I scraped my teeth over his wrist. "Earning my pay." Welcome to the shadow world of Blood Courtesans. Where vampires are real, and one wants me--bad. I'm the perfect slayer. Smart. Sexy. And lethal as hell. But I want out. Just as I make plans to disappear, I'm forced to take one more job. Go undercover as a blood courtesan and slay a gorgeous blond vampire. But it's a setup, and the only way out is to join forces with my target to find the real villain. The last thing I expect is to fall in love... (Cerise and Bard's story) The Vampire Blood Courtesans. It's not supposed to be about love...until it is. **NOTE: Compelled: Cerise was previously published in Michelle Fox's Blood Courtesans Boxed Set: Awakenings.** Excerpt (BARD): Her breath quickened. I held her still, lightly controlling her as I set my fangs to the sweet skin beneath her ear. She tensed, and I knew she expected me to bite, but in my world, seduction was a slow, unhurried dance. A vampire could live hundreds of years. Why rush? I moved my mouth to her earlobe, tonguing the small, jewel-encrusted hoop I found there and waiting until her shoulders eased. Then I nipped her lobe, quick and sharp, careful not to break the skin. Cerise's heartbeat kicked into high gear. I smiled against her cheek. Oh yes, the two of us were going to be good together. "You're mine." I soothed the small pain with my tongue. "Tell me now and we can have a contract drawn up." Her head turned, and our mouths met. Her tongue slipped over my lips, licked between them. Once again, I was struck by her lack of fear. The dominant male in me reared up, eager to tangle with her. Not that I wanted her to be afraid of me--never that--but most women exercised a healthy caution around a vampire. Cerise, though, didn't seem to care if she roused the predator lurking beneath my expensive suit...
