This book follows the hybrid and contradictory history of magic realism through the writings of three key figures – art historian Franz Roh, novelist Alejo Carpentier, and cultural critic Fredric Jameson – drawing links between their political, aesthetic, and

Where To Download Eyes

philosophical ideas on art 's relationship to reality. Magic realism is vast in scope, spanning almost a century, and is often confused with neighbouring styles of literature or art, most notably surrealism. The fascinating conditions of modernist Europe are complex and contradictory, a spirit that magic realism has

taken on as it travels far and wide. The filmmakers and writers in this book

acknowledge the importance of feeling, atmosphere, and mood to subtly provoke and resist global capitalism.

Theirs is the history of magic-realist cinema.

The book explores this history through the modernist avant-garde

making the argument that representations of the American South on stage are complicated by difficulties of identity, genre, and region.

Through analysis of the dramatic texts, the rhetoric of reviews of productions, as well as what the playwrights themselves have said about their plays and productions, Kayser

delineates these challenges and argues that playwrights draw on various conscious strategies in response.

These strategies, evident in the work of such playwrights as Pearl Cleage, Sandra Deer, Lillian Hellman, Beth Henley, Marsha Norman, and Shay Youngblood, provide them with the
