So, you want to go to Europe? But how could you not? There's something awfully romantic about spending midnight in Paris, watching the lights shine on the famed La Seine. There's something special about hearing the growls and grunts of cars on the vias and around the piazzas of Rome. There's something magical about walking on the streets of London in front of Buckingham Palace as the roads close down for the iconic Changing of the Guard. Europe--rich with history, culture, art, and adventure-- is the ultimate destination for any backpacker from any background. For all the hullabaloo around this small piece of land attached to Asia, the fairytale-like legends that you hear from old men in the park, friends, and parents are, for most part, true stories. Well, maybe all except for that one time Uncle Marty claimed he found an old manuscript of Ulysses on a Dublin pub crawl. Pub crawls and pretentious reading material aside, Europe awaits you. Paraglide in the mountains of Gimmelwald, shimmy your way into the most exclusive clubs of Berlin, or scuba dive between two tectonic plates in Iceland. When in Dubrovnik, find love on Lokrum Island and, in Athens, find your Adonis or Aphrodite. Get blown away by the beat of the Pamplona's Running of the Bulls and cheer on European sports teams in Munich's beer gardens. Europe has been, and will continue to be, the starting point for the adventures of students all around the world. Join the company of your fellow wanderlust-stricken adventure seekers and set your trip apart from the rest. Ready, set, Let's Go!

“In my madness I bought the ticket. I took the ride. I needed to live. I needed to suffer. I had to go.” Rob Binkley Rob Binkley is a young Silicon Valley entrepreneur who has it all at twenty-seven: a thriving business, beautiful girlfriend, and great life. But something is missing. Despite his success, Rob fantasizes about shedding the shackles of his American Dream to live wild and free like his hero Hunter S. Thompson. As Rob’s world begins to fall apart, a visit from his Zen madman of a best friend, Brian, convinces him to hatch an escape plan and follow his bliss for authentic life experiences. Will he find the meaning of life while backpacking through twenty-three countries, or will he and Brian go mad wallowing in the extreme debauchery the world has to offer? A tribute to gonzo beat literature, Let’s Go Mad is the amazing true story of their year abroad backpacking across the globe on a sideways search in all the wrong places, with all the wrong people, at all the wrong times. After Brian’s lust for life inspires Rob to embrace his inner lunatic, pushing the limits of sanity (and their friendship) into one merry blur—they come to realize there’s more to life than mere mad experience. They must have a “personal renaissance” or die trying.
