Building Reading Stamina. By: Reading Rockets. Reading stamina is a child's ability to focus and read independently for long-ish periods of time without being distracted or without distracting others. Find out how you can help your child develop reading stamina.

## ~~Building Reading Stamina | Reading Rockets~~

A key motivator for continuing to practice (thus building stamina) is experiencing some success—but success is hard to come by without putting in the practice. Students who don't experience much success in literacy often become locked in a negative feedback loop. Getting them to practice and build their strengths becomes increasingly difficult.

## ~~Building Stamina for Struggling Readers and Writers ...~~

Less resistance, more repetitions and resting for 30 seconds or less between exercises is optimal for building stamina, a 2006 article in the Journal of Strength Conditioning and Research concluded.

## ~~5 Ways to Boost Your Stamina —WebMD~~

The answers to the practice problems are in the answer key located at the back of the book. At the end of each lesson is an exercise called Skill Building until Next Time. This exercise applies the lesson's topic to an activity you may encounter in your daily life since geometry is a tool that is used to solve many real-life problems.
