Mercury® MerCruiser® 1

Mercury Marine Service Repair Manual

Serial Numbers for Mercury Marine Outboards and Mercruiser Sterndrives are unique sets of numbers used to identify certain objects such as Marine Engines, Boats, Automobiles, Software, etc. In the case of Mercury Outboard Parts, Mercruiser Engine Parts, and Mercruiser Sterndrive parts it's the Serial Number that's used to identify the configuration of the Mercruiser Engine, Mercury Outboard or Mercruiser Sterndrive.

Mercuriser Serial Number &
Mercury Outboards Serial
Number . . .

Find the right parts for your Mercury® or MerCruiser® engine here. Search by serial number to see detailed engine diagrams and part numbers, then contact your local authorized Mercury Marine dealer to place your order. You can also browse by model, but we strongly recommend using your serial number to ensure you find the correct parts.

Where Is The Serial Number
On My MerCruiser Sterndrive?

The serial number is essential for finding the MerCruiser inboard/outboard engine parts you need. Find the serial number for your engine near the starter, the rocker arm, or on the flame arrestor cover. For drive parts, find the sterndrive serial number on the right side of the drive shaft housing. You can also search for MerCruiser sterndrive parts by year.

The serial number format is the same. Japanese Mariner motors have a totally different serial number scheme, e.g. "6A3-S-123456 " We currently do not have those here, but are largely useless. These motors do not have any consistent year-to-serial scheme. Mercury ceased publishing this information after the 1996 model year.
