New insights into the trade and processing of mineral raw materials for glass making - Free ebook at OAPEN Library (www.oapen.org) This book presents a reconstruction of the Hellenistic-Roman glass industry from the point of view of raw material procurement. Within the ERC funded ARCHGLASS project, the authors of this work developed new geochemical techniques to provenance primary glass making. They investigated both production and consumer sites of glass, and identified suitable mineral resources for glass making through geological prospecting. Because the source of the raw materials used in the manufacturing of natron glass can be determined, new insights in the trade of this material are revealed. While eastern Mediterranean glass factories were active throughout the Hellenistic to early Islamic period, western Mediterranean and possibly Italian and North African sources also supplied the Mediterranean world with raw glass in early Roman times. By combining archaeological and scientific data, the authors develop new interdisciplinary techniques for an innovative archaeological interpretation of glass trade in the Hellenistic-Roman world, highlighting the development of glass as an economic material. Contributors Annelore Blomme (KU Leuven), Sara Boyen (KU Leuven), Dieter Brems (KU Leuven), Florence Cattin (Universit é de Bourgogne), Mike Carremans (KU Leuven), Veerle Devulder (KU Leuven, UGent), Thomas Fenn (Yale University), Monica Ganio (Northwestern University), Johan Honings (KU Leuven), Rebecca Scott (KU Leuven)

Will her bravery protect the ones she loves? Elena Petrakis adores living on the Greek island of Zakynthos. When World War Two looms her way of life is threatened. Left with no choice she joins the island's resistance to fight for what she believes in; her family, her home, and her freedom. Decades later, thousands of miles away in the Cornish town of Newquay, Kate Fisher prepares to celebrate her twenty-first birthday, but her joy is fleeting when she learns she is adopted. Abandoning life in England, Kate flees to Zakynthos, where she is forced to acknowledge a life she has struggled to come to terms with, one that will change her future. From the beautiful crystal turquoise seas of the Ionian Islands to the rugged shores of the Cornish coast, Among the Olive Groves is a story of love, bravery, and sacrifice.

This Element provides a concise account of the archaeology of salt production in ancient Europe. It describes what salt is, where it is found, what it is used for, and its importance for human and animal health. The different periods of the past in which it was produced are described, from earliest times down to the medieval period. Attention is paid to the abundant literary sources that inform us about salt in the Greek and Roman world, as well as the likely locations of production in the Mediterranean and beyond. The economic and social importance of salt in human societies means that salt has served as a crucial aspect of trade and exchange over the centuries, and potentially as a means of individuals and societies achieving wealth and status.

Berlitz Pocket Guide Zkynthos & Kefaloni is a concise, full-colour travel guide that gives you reliable, user-friendly detail along with vivid photography to uncover these neighbouring islands. Zkynthos is lush and green, and known for its much photographed Shipwreck Bay, remnants of Venetian-influenced architecture, and Greece's first National Marine Park - the most important loggerhead turtle nesting rookery in the Mediterranean. Kefaloni is more rugged and mountainous, but equally surrounded by crystal clear waters, its beautiful landscapes now famous as the film locations for Captain Corelli's Mandolin. To inspire you, the book offers a rundown of Zkynthos and Kefaloni's Top 10 Attractions, followed by an itinerary for a Perfect Tour. The What to Do chapter is a snapshot of ways to spend your spare time, from nightlife and shopping to sports. Handy maps on the cover flaps help you get around. The book provides all the essential background information, including an overview of the histories of Zkynthos and Kefaloni, and ideas for an excursion to the nearby island of Ithki. There are carefully chosen listings of the best hotels and restaurants and an A-Z of all the practical information you'll need.

In this compilation, I throw in the kitchen's sink and outline most of what I've learned about fasting over the past 15 years. If you are struggling with your weight or health, fasting could be the Ace in the Hole you were looking for. If you are ill, I cannot 'guarantee' that you will be healed, although many have, and from serious, chronic illnesses. What I CAN tell you is that EVERY person that I have coached through a period of fasting has ALWAYS come away better off than they were when they began. Wouldn't you like to find a system where you could lose one-to-three pounds daily and never gain the weight back? Well, I'm here to tell you that there IS hope! I escaped from the hellish prison of obesity and binge eating, so I know it CAN be done, and that nothing will get you there quicker than water fasting, AND the implementation of a structured eating plan.

'A moving and absorbing holiday read that pulls at the heartstrings' Evening Standard The acclaimed million-copy number one bestseller and winner of Richard & Judy's Summer Read 2006. Victoria Hislop tells a dramatic tale of four generations, illicit love, violence and leprosy, from the thirties, through the war, to the present day. On the brink of a life-changing decision, Alexis Fielding longs to find out about her mother's past. But Sofia has never spoken of it. All she admits to is growing up in a small Cretan village before moving to London. When Alexis decides to visit Crete, however, Sofia gives her daughter a letter to take to an old friend, and promises that through her she will learn more. Arriving in Plaka, Alexis is astonished to see that it lies a stone's throw from the tiny, deserted island of Spinalonga - Greece's former leper colony. Then she finds Fotini, and at last hears the story that Sofia has buried all her life: the tale of her great-grandmother Eleni and her daughters and a family rent by tragedy, war and passion. She discovers how intimately she is connected with the island, and how secrecy holds them all in its powerful grip... Praise for The Island. . . 'A vivid, moving and absorbing tale' Observer 'Victoria Hislop . . . brings dignity and tenderness to her novel about lives blighted by leprosy' Telegraph 'Wonderful descriptions, strong characters and an intimate portrait of island existence' Woman & Home 'War, tragedy and passion unfurl against a Mediterranean backdrop in this engrossing debut novel' You magazine 'Hislop's deep research, imagination and patent love of Crete creates a convincing portrait of times on the island' Evening Standard 'A page-turning tale that reminds us that love and life continue in even the most extraordinary of circumstances' Sunday Express 'A beautiful tale of enduring love and unthinking prejudice' Express
