Of Other Spaces (1967), Heterotopias. This text, entitled "Des Espace Autres," and published by the French journal Architecture /Mouvement/ Continuité in October, 1984, was the basis of a lecture given by Michel Foucault in March 1967. Although not reviewed for publication by the author and thus not part of the official corpus of his work, the manuscript was released into the public domain for an exhibition in Berlin shortly before Michel Foucault's death.

The space in which we live, which draws us out of ourselves, in which the erosion of our lives, our time and our history occurs, the space that claws and knaws at us, is also, in itself, a heterogeneous space. In other words, we do not live in a kind of void, inside of which we could place individuals and things.
