Revisiting The Great White North? | SpringerLink
About this book. Returning seven years later to their original pieces from this landmark book, over 20 leading scholars and activists revisit and reframe their rich contributions to a burgeoning scholarship on Whiteness. With new reflective writings for each chapter, and valuable sections on relevant readings and resources, this volume refreshes and enhances the first text to pay critical and sustained attention to Whiteness in education, with implications far beyond national borders.

Revisiting the Great White North? Reframing Whiteness ...
Having spent the majority of my formative years in the U.S., and having only recently returned to Canada to pursue my Ph.D. in Education with a focus on anti-racism and critical whiteness studies, I have found Lund and Carr's books to be extremely useful in helping me detect the pulse of the Canadian heart-rate on race issues.

Revisiting The Great White North? Reframing Whiteness ...
The medieval north of England has been underexplored to date, and this volume may be seen as an invitation for further exploration. It brings together scholars with shared interests in language, literature, culture, history and manuscript studies, viewed from different disciplinary perspectives such as English philology, historical linguistics and medieval literature.
