The Ruins Book TrailerPartials - Dan Wells [Partials Book Trailer \(fan made\)](#) Book Review | PARTIALS Fragments by Dan Wells E-book [T.W. Piperbrook Ruins 01 The Ruins Audiobook](#) Ruins Partials Sequence 3 Dan Ruins achieved everything Allegiant and Mockingjay failed to deliver as trilogy enders. THIS is how you end a series. I ' ve said it before and I ' ll say it again, The Partials Sequence is one of the most underrated recent YA science-fiction and dystopian series today. Dan Wells is a great story teller and an excellent world-builder, and he never disappointed me throughout the three books (four, if you count the Isolation novelette).

Ruins (Partials Sequence #3) " This is a general message to the residents of Long Island. " . The first time they heard the message, nobody recognized the voice. But it played every day, all day, for weeks, cycling through every available frequency to be sure that every human on the island could hear it. Terrified refugees, huddled in groups or alone in the wilderness, came to know it by heart; it blared from every radio relentlessly, burning itself into their minds and memories.

Ruins (Partials Sequence #3) read online free by Dan Wells

Parents need to know that Dan Wells' Ruins is a suspenseful, engaging continuation of the science-fiction adventure begun in Partials and continued in Fragments, about the struggles between humans and genetically engineered Partials. Although set in a dystopian future, the novel takes pains to be plausible and raises interesting questions about bioethics and civil rights.

The Partials Sequence has always possessed a strong foundation of philosophical inquiries for the reader and characters to ponder together. Ruins is thankfully not an exception. The crux of the story isn ' t just about finding a way to save the last remnants of the humans and partials, but whether or not either side is truly worthy of being saved in the first place.
