Sachs 50 Series Moped Engine

The Sachs 50x series engine is known for its high rate of compression, ease of use, stability, and lack of case gasket. High compression is achieved though the unorthodox use of a combined cylinder and cylinder head. Referred to as a cylinder jug, this can be a mixed blessing

Read Free Sachs 50 Series Moped Engine Full Service Repair Manual

as it is difficult to clean carbon deposits at the top of the jug.
