Produced for only one year in the '70s, Blythe is a moony waif of a doll coveted by a growing group of devoted fans. Photographer Gina Garan fell to Blythe's charms and unusual looks years ago and has shot her in settings around the world, from Greece to Soho to Hooters. Hilarious, mesmerizing, and just a little spooky, This Is Blythe is the result of Garan's offbeat passion and a photography book like no other. Here's mod Blythe pacing through an art gallery; a pensive Blythe in a tiny blue fur parka, the sun flaring orange behind her; Blythe emerging from a block of ice. Is that Blythe telling her Christmas wishes to Santa Claus? Like stills for a film that hasn't happened (yet?), these undeniably beautiful photographs create an entire world from each flawless frame. A no-explanation-necessary gift for that special someone, This Is Blythe will enchant fans of witty photography and pop culture with a taste for the unexpected.
