The Crisis Of Negritude by Emmanuel
E. Egar, Paperback ...

According to Le Baron, both Pan-
Africanism and Negritude has origins
outside the African continent, in
Europe and the new world; both
gained impetus during the 1940's and
1950's from reaction against different
aspects of the experience of colonial
subjugation; and each in various ways,
derives substance in today's context
from the political, economic and
psychological problems of an
underdeveloped continent facing a
highly competitive world.
